Chunk 1

RAG, RAG, RAG, reranking, reranking, reranking. This paragraph mentions RAG and reranking many times. However, it does not explain what reranking does. It only repeats keywords without explanation.

Chunk 2

在 RAG 系统中，Reranking、Retrieval、Embedding 这些术语经常一起出现。 但是这里依然没有解释 Reranking 的作用。

Chunk 3 （真正答案）

Reranking 的作用是在初始向量召回之后， 根据“query–chunk 的语义相关性”对候选结果重新排序，从而确保真正能回答问题的内容排在最前面。

Chunk 4

This section discusses retrieval speed and latency. It is related to RAG systems but not to reranking purpose.

Chunk 5

Cooking recipes, kitchen tools, and food preparation.
